Short Description: Launched by the design house of New Brand. A blend of geranium, saffron and rose in the top notes. Next, the spicy and floral heart emerges, created by the inclusion of caraway, nutmeg, violet and pepper. The evocative aromatic profile finishes with its base notes of amber, agarwood, vanilla and patchouli. The result is a mix of rosy, patchouli and vanilla accords, along with fresh and warm spicy accents that only deepen its complexity.
